

Is it time to find an expert?

Live Webinar

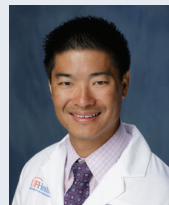

Join us for this **live webinar** you can watch from anywhere. If you miss the live session, the seminar will be recorded for you to view at your convenience.

Friday, April 30, 2021 | 10 a.m.

IT'S TIME TO TALK ABOUT ERECTILE DYSFUNCTION.

It's not a topic most men want to discuss, yet an open conversation is the first step to finding a solution for erectile dysfunction. No two men are alike and treatment depends on the cause of the problem. Don't let erectile dysfunction affect your confidence and intimacy any longer.
